

# Category Directions

Categories are great for improving how well you describe things. The more categories you know, the better your speech and writing will be.

---

**Directions:** Follow each direction.

Underline all the words  
that are months.

Put a box around all the words  
that are types of buildings.

Circle all the words that  
are types of beverage.

~~Cross out all the words that  
are kinds of punctuation.~~
