I got out of bed.

Prepositions: Draw two lines from each beginning through two prepositions and two endings.

Joe’s snake is between two rocks.

Some illnesses are caused by parasites.

Blood passes through veins and arteries.

The dinosaurs died before a large comet hit the Earth.

There were modern humans after there were modern humans.

Blood passes through bones in the skeleton.

The men kept talking during the presentation.

The enemies were forced to sit beneath the spider.

He threw the basketball into the top shelf.

We took a blanket with us to the beach.

Beneath the spider.

Time expired.

The presentation.

Despite thoroughly washing our hands.

Their microphones.

At the full moon.

As for the presentation.

Their microphones.

The Full Moon.

The presentation.

Each other.

The Full Moon.

The enemies were forced to sit beneath the spider.

The Full Moon.

The enemies were forced to sit beneath the spider.
